

Another stellar year from our Forum crew, the best in this known universe. Results for Reader of the Year are still being tabulated. In a moment of weakness, I hired CJ Ross to help with the computation and, well, it didn't go well. Happy New Year to the best and brightest amateur scribes! --Editor Mike

ROTY 2013 is an open and shut case. Should be based on Quality of posts, Quantity of posts and length of membership. I know we have had a couple of rookies that had good years, South Paul and the Shadow. Let them stay around another year and keep putting up the quality posts. No flash in the pan types should win the award. Look at Hop. He was very busy for a while there but then poof, he was gone. Speaking of gone, what happened to unjust ROTY 2011 Mortcola?? Bad decision that year. This year get it right TSS. Ameyseng is the ROTY 2013. Case closed.

Agreed ... Amayseng put in the time... Is a prolific contributor. Is usually non bias... non defensive.. unpretentious and will admit a change of opinion in the face of truth... not perfect but an all around solid guy.. Its his time!!!!

Hi guys, I'm new here. My twitter is @The_King_AJ

Nice to be here. I have a specific interest in top amateurs and to be more precise, those who look like they can make good pros.

How comes people don't start threads?

@The King. Welcome to the TSS Universe.

Radam G says:

Ditto, Dino! @The king, I holla about amateurs all the time. But the landscape has now changed. The top amateur guns can now holla at the pros - specifically the WSB. And long-time pros will not be able to fight in the O-Games in 2016. Holla!

Radam G says:

Wow! Hey guys, I got believe -- and hope it is so - I got a holla from former TOP-GUN TSS reader Deepwater.

Everything is going smooth with him. And he has tied the knot. And he is not shot. At the end of the rainbow, he found a BIG pot. And what was in it, you oughta' buy he has told. And that is GOLD!

It is time for him to rejoin us. If you dig letting him back into the Universe, just holla at Editor Mike: "Where is da LUV?" Holla!

Thanks! Let the good times roll man, we're going to be having some good discussions in the future. WSB is a great tournament and I have to be at Brazil for the games in 2016. Experience of a lifetime.

Funny, glad to hear he is doing well.

Come on Editor Mike, give Deep another shot. Life is short, we all learn from our mistakes...
Deep just gets

overly passionate at times, as we all do. I understand he crossed the line but know he can learn to tread

lightly if given the chance. Deep brings a lot of knowledge and value to the site. Where is da luv Mike!?!
